Anniversary to be Celebrated This Week by George E. Stifel & Co. With an Anniversary Sale—The Charitable Institutions Remembered.

When a young man attains his majority he usually celebrates the event in some way that strikes his particular fancy, and immediately begins to encourage that budding mustache.

So with George E. Stifel & Co., the Main street dry goods firm. This week this well known firm reaches the twenty-first anniversary of its birth, and the members of the firm are following a custom inaugurated last year, when the twentieth anniversary came. Then they announced an anniversary sale, with a discount of 20 per cent on all purchases, and incidentally they made a hit throughout the community by giving very generous donations in cash to the several charitable institutions of the city.

For the twenty-first anniversary the firm announces in another column a special sale continuing through the present week, at which a reduction of 21 per cent will be given on all sales; likewise they give the same generous donations to the charitable institutions that were announced last year. Some of these institutions remembered are the Day Nursery, Altmehlm, the City hospital, Wheeling hospital, West Virginia Home for Aged and Friendless Women, the Children's Home and others.

Clothing Sense.

Any clothing is clothing, true, so any coffee is coffee, so any flour is flour, but grades differ. You want the best. It's so with clothing; there are grades—you want the best. If you understood clothing as well as you do coffee or flour, it would be easy to determine, but you don't. How should you? When you are going to buy a commodity whose value you don't know, it is best to pick out a house whose reputation for honest, square dealing is established beyond a doubt, and trust to their experience and reputation for good, honest treatment. The HUB CLOTHIERS have that reputation—strictly one price to everybody—a black and white guarantee as to quality, and our money back guarantee in any and every case you demand it. There are many dealers in clothing, but only one HUB CLOTHIERS—their are stylish, good weaves and fit. If you still have doubts look us over.
